

## Community Broadband Questionnaire

---

Name of your Community:

Postcode:

*e.g. Tummel Bridge, Dall, Killichonan*

### Your Current Broadband Service

1. Are you a home or a business?

Home

Business

2. Are you able to use the internet at this address? **Yes / No**

*If you are unable to access broadband, please proceed to Q7*

3. Which internet service provider are you currently subscribed to? (BT, Virgin, Sky, Satellite provider etc.)

4. How much do you currently pay for your broadband each month?

£

5. If you are tied into your current contract, state how long for (if known):

6. How would you rate your current broadband connection (please tick)?

Poor

Satisfactory

Excellent

7. **Speed Test:** Please run the speed test at [www.speedtest.net](http://www.speedtest.net) and enter your results below:

Download Speed (mbps):

Upload Speed (mbps):

## A Community Broadband Project

8. Would you be interested in accessing a faster broadband network? **Yes / No**

8.1 Ideally, what speed would you like to be able to access in megabits per second (please tick)?

Up to 15mbps  16-30mbps  30mbps+

**NB: With a speed of 10mbps, you should be able to stream good quality video to one device. A speed of around 20mbps will allow multiple devices to be connected to the internet simultaneously. For a business, speeds of 30mbps+ will allow your employees to work effectively at the same time, swap large files and access the cloud.**

8.2 If yes, how much would you be willing to pay per month for a faster broadband (please tick)?

£10-£19  £20-£29  £30-£39  £40-£49  £50+

8.3 If you had a faster broadband connection, would you use it for home or business use (please tick)?

Home  Business  Both

9. How many users in your home or business would want/need access to the network?

Adults  Children

10. Would you be interested in using a community-owned broadband network? **Yes / No**

11. If you had access to a faster connection, do you think it would enable your household to increase its income (e.g. homeworking, new markets for your business etc.)? **Yes / No**

11.1 If yes, how much extra income do you think your household would gain per month?

£

**N.B. We are asking this simply to evaluate what benefit a faster broadband network would have on the local community.**

12. If you had a faster broadband connection, what would you use it for? (Tick all that apply)

<input type="checkbox"/>	Browsing the internet/email	<input type="checkbox"/>	Working from Home
<input type="checkbox"/>	Streaming TV/Films (e.g. Netflix)	<input type="checkbox"/>	Accessing Public Services
<input type="checkbox"/>	Running your own business	<input type="checkbox"/>	Social Networking (Facebook, Skype)
Other (Please Specify)		<input type="text"/>	

13. Please provide us with your contact details. These will only be used in relation to the provision of broadband services in your area and will not be disclosed to any third parties without your consent.

Name:

Address:

Postcode:  Telephone Number:

Email:

14. Do you have any other comments related to your internet service?

15. Would you be willing to help the Rannoch & Tummel community with this Community Broadband project?

Interested in being involved in a working / project group

May consider offering sponsorship or other support
